Featured Item: Animal Whole Blood & Biological Products

Animal Blood Products & Tissues

LAMPiRE has been a trusted supplier of animal blood-derived products, tissues, and organs for over 40 years. Our products range from whole blood and washed red blood cells to filtered and unfiltered plasma and sera. LAMPiRE will supply small volumes for research or large volumes for manufacturing. Consistent product quality, on-time delivery, affordable pricing and friendly customer support has helped LAMPiRE earn customer loyalty for over four decades.
