45 YEARS

(June 02, 2022 - Founder's Day)

In celebration of the company's years of supporting the Life Science community, LAMPIRE honors its 45th anniversary. LAMPIRE is an international, life science company that produces biological reagents and raw materials that are shipped worldwide and used across many applications. Servicing the diagnostic, pharmaceutical, biotechnology and drug discovery markets for over 45 years LAMPIRE is a trusted partner for high quality, reliable products, and services. LAMPIRE is comprised of multiple research campuses and three state-of-the-art laboratory facilities, strategically located across the state of Pennsylvania. LAMPIRE has grown significantly over the past 45 years and plans to continue to grow and support the Life Science industry for many years to come.
